From the East

Greetings Brethren!

This year is certainly flying by! I cannot believe we are already in May. We have received some much-needed rain and hopefully everyone's lawns are looking nice and lush. Please, be extra careful when driving in the storms.

Grand Lodge is this month! If you have not made arrangements yet, please do so ASAP. We will have a hospitality suite and you are all welcome to come up and visit, even for a day. There is a 100% guarantee of laughter, fun and fellowship!

We recently went bowling in lieu of our called meeting. Everyone had an absolute blast and I was so happy to see Brothers there who didn't/couldn't bowl just for fellowship. I am personally a terrible bowler and should probably use the bumpers next time. We are planning to bowl again probably in October so if you missed this one, there will be more!

Congratulations to Brother Angel for passing his proficiency and joining Brother Jojo for our upcoming Fellowcraft Degree! We are hoping to have the Degree in June. Special thanks for our Chaplain, Brother JC for testing Brother Angel in standing proficient. Your expertise is always appreciated.

An EA Degree is tentatively scheduled for July as well. If any Brothers would like to be on either or both Degree teams, please reach out to myself or JW Rudy and SD Erasmo. Teamwork makes the dream work!

Lastly, starting the first Stated Meeting in June, we will go business-casual for the hot months. Dress code will be collared polo shirts, pants can be slacks or tasteful jeans (no shorts), closed-toed sneakers or dress shoes (no flip-flops or crocs). If any Brother has a question about dress code, call the Lodge or call me directly.

Have a blessed month and may the GAOTU protect us all,
Justin Shiver
Worshipful Master

From the West

Brethren,

As per **Vastu Shastra**, the East is by far the best direction to face, for peak work performance and all-round mind-body integration. The scientific reason for that is simple: The sun rises in the east, making it conducive for growth.

In the Lodge the Worshipful Master is in the East, he sets the craft to work with proper instruction for their labor. We attend lodge practice to improve our floor work, learn our words/rituals, practice degree work, practice for degree competition and other.

The Officers of a Lodge.

The Three Principal Officers of a lodge are situated in the east, the west, and the south. Now, bearing in mind that the lodge is a symbol of the world, or the universe, the reference of these three officers to the sun at its rising, its setting, and its meridian height.

We-Senior and Junior Wardens are sharpening our skills, so that we may have a chance to sit in the East. The Senior Warden's place in the Lodge is due west of the Worshipful Master in the East to assist him in opening and closing the Lodge. As the Winter Solstice arrives in late December a remarkable thing occurs (in the Northern Hemisphere). The Day is shorter, less light and more darkness. The Sr. and Jr. Wardens are transitioning to the East and West respectfully during this time. The installation to their new office in the Lodge brings "New beginnings" and as the days become stronger with light So Mote It Be that theirs do as well.

I Thank you Worshipful Master for being a Strong Light in the East.

TK Krumenacker
Senior Warden

From the South

My Brothers,

I hope spring is treating you well. The year is flying by. I had an opportunity to visit the Masonic home for pilgrimage day, which was a humbling experience. I would recommend anyone who hasn't been take the time to visit.

Thank you to all who could attend the great bowling night. We had an outstanding turn out. We are hoping to put on another night in the fall.

We also hosted the District 25 Master Mason competitions, which too was a humbling experience. The brothers and myself were able to truly see the detail and work that goes into the ritual. I hope everyone also can try this experience.

We have a lot of great stuff in-store this year. Don't forget to see me if you haven't signed up for the Harmonia What's App group.

Fraternally submitted,

Rudy Romero
Junior Warden

Secretary Sez

Office Hours

Mondays & Wednesdays 10:00am - 4:00pm
Fridays 10:00am - 12:30pm

Brethren,

I would like to start by saying what a GREAT TIME we had at our "Bowling Night"! The Fellowship was fantastic, and it was a great joy to see the smiles and hear the laughter from the families as we all laughed and cheered each other on. We are all looking forward to the next outing! Congratulations to our JW Rudy Romero for making it happen. I would like to wish a Happy Birthday to all the Brothers celebrating this month. I would also like to wish the spouses and significant others a very Happy Mother's Day and hope you have a peaceful relaxing day!

I attended the Secretary and Treasurer Seminar held on Zoom on April 1, 2023, (No Joke). We were informed that Circumscribe was being deactivated and that we are now using "AMITY" for all our Grand Lodge administrative needs. ALL MEMBERS need to download the "AMITY" App to your phones and go thru the process of registering YOURSELVES. This new app will be able to act as a current Digital Dues Card as well as assisting you in finding Lodges and meeting times Worldwide. The Website can also be downloaded to your Tabletop on your Computer by going to www.amity.copiri.com It is highly recommended that once you have registered, open the app and maneuver through it so you can become comfortable using it. You can pay your Dues thru AMITY as well, but there is a USER FEE that YOU will be charged for this convenience. There is no way to avoid the USER FEE if you are paying online. You can still pay with Check, Money Order or Cash to the Secretary and not be billed for the USER FEE. I ask that everyone be PATIENT as we all work through the bugs of this new system.

We only have 1 Stated Communication in May as the Officers will be preparing for their attendance to our Annual Grand Communication in Orlando. Harmonia Lodge has a total of 9 Officers and Brothers registered to attend. If we have any other Brothers planning on attending, YOU will need to Register in person upon arrival at the Hotel. Harmonia Lodge will be reviewing the Proposed Legislation at our next Stated Communication on May 8, 2023, for final approval of our members. If you have not paid your 2023 Dues by now, please remit them as soon as you are able. Delinquent Dues notices will be sent by the end of June. The proposed Grand Lodge Budget for 2023 has been published and you should have received an email for your review as this Budget will be voted on by your Principal Officers at the Grand Communication. A Communication Committee meeting was called to discuss our Website status. We hope to be bringing recommendations to the Craft to help make our Website more accessible and user friendly soon. Until next month.....

May the Great Architect of the Universe continue to guide and watch over each and every one of you.

Fraternally,

W.: Robert C. Gibbons, Secretary

Passover Redemptions

D.J. Reilly

During Passover, our Jewish Brethren celebrate with a Seder. Passover is a remembrance of the night death passed over the Israelites homes, those with lamb's blood painted around the door. Pharaoh had commanded that all first born Israelites be killed. GOD allowed the angel of death to Kill the first born of all Egyptians instead. Seder is a ceremony of the meal on that horrible night. The Seder begins with praise, singing, family, love, with symbolism. Freemasonry includes the Jewish philosophy in its teachings. In fact Scottish Rite Freemasonry is special for us all to take part in all religions, faiths and celebrations as it is a way to dispute hate, fanaticism and ignorance. While we maintain our own faith in our own beliefs, yet we seek out other light, and contemplate the knowledge.

In our Scottish Rite Ceremony of Lights, we speak of the Seder table and the items on the Seder plate. Below are the items and meanings on the Seder Plate:

1. Maror

This is the bitter herb, which reminds the Jews of the bitterness of the slavery their ancestors endured in Egypt.

2. Z'roa

Usually a roasted lamb shank bone, the Z'roa is just for show to represent the lamb that was sacrificed the night the Jews left Egypt.

3. Charoset

The Charoset is meant to resemble the mortar and brick made by the Jews when they were slaves in Egypt under Pharaoh. The recipe includes raisins, nuts, dates, wine, and cinnamon.

4. Chazeret

A second bitter item is romaine lettuce and symbolizes the fact that the Jewish stay in Egypt began soft and ended hard and bitter. (Note the ends of the lettuce)

5. Karpas

Typically represented with parsley (although some families use boiled potatoes), the Karpas is a symbol of spring and new beginnings.

There are two other items that are new to the Seder Plate.

1. Orange – Some Jews include an orange on the Seder plate. The orange represents the fruitfulness for all Jews when marginalized Jews, particularly women and gay people, are allowed to become active and contribute to the Jewish community. Seder participants were invited to spit out the seeds as a gesture of repudiation of homophobia. (The tradition dates to the 1980s, when Susannah Heschel, a Jewish feminist scholar and the daughter of Jewish social justice icon Rabbi Abraham Joshua Heschel)

2. Olive – An olive to express solidarity with Palestinians has been added to some Seder plates.

Another item and that which we are most likely to know is Matzo. Matzo is a cracker of unleavened bread. Matzo is a bread and is a reminder that when the Hebrews left Egypt they were in haste and the bread did not have time to rise. It is also significant with the time times they wandered in the wilderness.

The Seder table also includes four glasses or goblets of wine. Each of the glasses are consumed with prayer in remembering the redemptions GOD promised the Israelites. The Four Redemptions are listed below.

1. Salvation from harsh labor—this began as soon as the plagues were introduced.
2. Salvation from servitude; or the day the Jews left Egypt geographically and arrived at Ramses.
3. The splitting of the sea, after which the Jews felt completely redeemed, without fear of the Egyptians recapturing them.
4. Becoming a nation of Sinai.

Some Seder Tables include a 5th cup of wine which is a silent cup or Elijah's cup. Upon the conclusion of the Seder's Grace After Meals, there is an accepted custom to pour a cup of wine (the "Cup of Elijah"), open the front door of the home, and recite several verses (mostly from Psalms) wherein we beseech God to pour His wrath upon our persecutors and oppressors. The Torah explains that Passover testifies the protection GOD has for his people and opening the door is a trust, or belief of the protection provided. Elijah is also present at the Circumcision of every Hebrew Child, and that everyone present at Passover has been Circumcised and may partake.

In Honor of Memorial Day this month, words to reflect.

May has somehow snuck up on us, and with it comes Mother's Day, the approaching end of the school year, but most importantly, Memorial Day. Unfortunately to many, Memorial Day has become a day that marks the approach of summer and just another three-day weekend with great sales at the mall. In many cases the true sanctity and meaning behind Memorial Day has been lost and forgotten over time and replaced with commercialism and family vacations.

However, the true meaning of Memorial Day goes far beyond barbecues and sales, so before firing up the grill or packing for the weekend vacation, we should take a little time to remember what it is exactly we are celebrating. The Memorial Day holiday dates back to the American Civil War, and at that time was known as "Decoration Day", and included the practice of placing flowers on the graves of both Union and Confederate soldiers for solemn remembrance.

While it was originally founded to honor the soldiers who died in the Civil War, today, Memorial Day is a day of remembrance to honor all of the men and women who have served and died in military service for the US Armed Forces.

One needs only to watch the nightly news or keep up with world events to realize how fortunate we are to live in a country governed by a constitution that guarantees our rights and freedoms. These freedoms that America enjoy are the envy of the world, yet we so often take them for granted. They came at a heavy price and were paid for with flesh and blood by the brave sacrifices of American servicemen and women, and with the tears of those whose lives were changed forever by the loss of a loved one. Let us pledge to rededicate ourselves to not take a single day for granted, to give thanks for all that we are blessed with, and to honor those who gave their lives in service to our great nation to secure our freedoms and way of life. God Bless the United States of America.
